

User Story:
Back

Description:

Preconditions:

- * User has prepared a playlist in the Playlist folder (e.g., example_playlist, contains 33 songs).
- * User configured config.txt to use the command prefix "!"
- * User has added the JMusicBot to the discord server.
- * User has joined the voice channel.
- * User types and enters into the chat: !queue
- * JMusicBot shows that the queue is empty.

Steps:

1. User types: !play playlist example_playlist
2. User types: !queue
3. User types: !skip
4. User types: !queue
5. User types: !back
6. User types: !queue

Expected Results:

- * After Step 2, a queue of 32 songs should appear (the first song is now playing).
- * After Step 3, the following text should be outputted by JMusicBot: 🎵 Skipped <song name>.
- * After Step 4, the queue should now have 31 entries. The first song in the queue should now be gone and is now playing, and the songs in the queue are shifted up 1.
- * After Step 5, the following text should be outputted by JMusicBot: 🎵 Added <song name> back to the end of the queue.
- * After Step 6, the queue should now have 32 entries, with <song name> being the 32nd song.

Screenshots are provided below. Note: example_playlist is a sample playlist attached to one of the issues in the original project repo.
